Objective:

Passionate and detail-oriented Python Developer with 4 years of experience in designing, implementing, testing, and maintaining complex software solutions. Adept at collaborating with cross-functional teams to drive project success. Seeking an opportunity to contribute technical expertise and creativity to a dynamic development team.

Skills:

- Programming Languages: Python, JavaScript
- Frameworks: Django, Flask
- Databases: PostgreSQL, MySQL, MongoDB
- Version Control: Git, GitHub
- Web Technologies: HTML, CSS, RESTful APIs
- Tools: Docker, Jenkins
- Testing: Unit Testing, Test Automation (pytest)
- Agile/Scrum Methodology
- Strong problem-solving and analytical skills
- Excellent communication and teamwork abilities

Education:

Bachelor of Science in Computer Science

Tech University, Pythonia, PY

Graduation Year: 2018

Professional Experience:

1. Senior Python Developer - Tech Innovations, Pythonia, PY - Jan 2020 to Present

- Spearheaded the development of a scalable e-commerce platform using Django, resulting in a 30% increase in user engagement.
- Collaborated with front-end developers to integrate user-facing elements using JavaScript and optimized application performance.

2. Junior Python Developer - CodeCrafters Ltd., Pythonville, PY - May 2018 to Dec 2019

- Contributed to the design and implementation of RESTful APIs, improving data retrieval efficiency by 20%.
- Worked closely with QA teams to identify and resolve bugs, ensuring high-quality software delivery.

Projects:

1. Inventory Management System - Tech Innovations

Duration: June 2021 - Present

- Led the development of a centralized inventory management system, integrating with multiple databases and reducing data retrieval time by 25%.

2. Blogging Platform - CodeCrafters Ltd.

Duration: September 2018 - April 2019

- Implemented a dynamic blogging platform using Flask, enabling users to create, edit, and delete posts with ease.

Certifications:

- Python Developer Certification, Python Institute, 2019

Courses:

- Advanced Web Development with Django, CodeAcademy, 2020

Professional Memberships:

- Member, Python Software Foundation

Languages:

- Spanish (Fluent)
